- REACT
- REDUX
- BOOTSTRAP
- SCSS
- WEB COMPONENTS
- REACT ROUTER DOM
- TAILWIND CSS
- NEXT.JS
- D3.JS.
- DRIVER.JS

PROFILE

I'm a Frontend developer who loves building smooth, high-performance web apps that actually make a difference. I've spent the past two years crafting intuitive user experiences, optimizing performance, and solving tricky problems with clean, efficient code. One of my proudest moments was integrating dynamic elements in Driver.js to improve user onboarding, making it more interactive and engaging.

WORK EXPERIENCE

Intern

Tekclan software solutions private ltd   jan 2022-dec 2022

- Learned and built responsive web interfaces using **HTML, CSS, and Bootstrap**.
- Developed interactive UI components and improved user experience.
